**MARCH 2022 NEWSLETTER**

***To be a growing church, God's gift to the community***

Dear Friends

The Church celebrates Ash Wednesday, the beginning of Lent, on the 2<sup>nd</sup> March. This year we will have the Archdeacon of Harlow with us at St. Martin's at the 10 am service as she will be going from us to start a Lenten walking pilgrimage around this area.

For many years I dreaded the Ash Wednesday service with its offer for all to come and have an ash cross drawn upon their forehead to show a penitent spirit. Why? Because I did not understand the concept of forgiveness, it was not something really practised in my family as I grew up. The reality is that if you do not understand what forgiveness is, it is really hard to admit one might have failed or screwed up as there is only condemnation available.

However, I was blessed with some good relationships with people who showed me what forgiveness was like. The reality was that they actually forgave me when I needed it, when I behaved badly. Gradually I learned what it was to have one's wrongs forgiven rather than just forgotten after a period of time!

Finally, I had an experience with God where I did something that should have been unforgivable, and yet I discovered that God both understood why I had behaved the way I had and inexplicably forgave me. Over a period of about a year I changed from someone who loathed Ash Wednesday to someone who was moved by the grace of a God who has done all that is necessary so that every one of us can receive whatever forgiveness we need if we will only accept it.

Then came the year when I was able to go forward and accept the ash cross on my forehead with joy. I had finally learned that a Christian was not someone who tries to be good but someone who knows they are not good but trusts God for the necessary forgiveness and healing. Trying to be good comes after forgiveness. Forgiven, I now try (and so often fail) to live up to the wonderful vision God apparently has of who I am.

How about you? If I am right about Christians being forgiven sinners it is no wonder we have so often got things wrong in the church and shown such a poor welcome and forgiveness to so many. We must so often break the heart of God but there is forgiveness there for me and for you. Do you want to put down that burden you carry and accept this gift from a loving God? What a wonderful way that would be of starting Lent and preparing for Easter!

May God bless us all ...

With love ... *Noelle*

### Listening to God in Lent

You are invited to join me in *Listening to God in Lent*, via zoom on Monday mornings at 11 am starting on Monday 7<sup>th</sup> March.

We shall be using material provided as part of the Diocese's *Lent Holy Sabbatical*; an opportunity to *Rest, Replenish and Renew* ourselves through the Holy Reading of Scripture and prayer.

Please contact me for the zoom link if you are interested.

#### A Collect for the Lent Holy Sabbatical

God of our pilgrimage,  
whose Son commanded the wind and waves to be still,  
and in whom we find the peace that passes understanding:  
grant that this Lent,  
we may learn again to hear your still, small voice,  
and be refreshed and sustained on our journey  
until our restless hearts find their rest in you,  
through Jesus Christ our Lord.

Amen.

If you are unable to join me on a Monday morning, there might be an opportunity to meet in person on a Sunday afternoon. Please let me know if you would be interested in this.

There are further *Lent Holy Sabbatical* resources available on the Cathedral website - [Reflect, Replenish, Renew | Chelmsford Cathedral](#)

Looking forward to hearing from you.

**We need an up to date picture for the Parish Profile!**

*This picture was taken in 2014 – there have been a lot of changes since then!*

Following Noelle's announcement that she will be retiring at the end of April, the Area Dean has asked the PCC to prepare a Parish Profile as soon as possible. This is the document on which a prospective priest will base his / her decision to take the application further; it tells the applicant about our Parish and outlines the qualities the successful person is likely to have.

A small group within the PCC has been chosen to draft out the Profile and they have asked me if I could provide a picture of our congregation which they can include in that document. It has been suggested that I do this on Sunday 6<sup>th</sup> March immediately after the 10.30 am One Big Family Service for All.

If the weather is fine, we will probably do this outside the Church – if not we can do it inside. If you are able to join us for this it would be greatly appreciated as we should like the picture to give a fair representation of our present Church family.

Thank you very much ...

**Memorial Concert for Frank and Daphne Hart**

**DON'T FORGET TO BOOK YOUR SEAT ... BY 19<sup>th</sup> MARCH**

Christine and David would like to invite you to a concert kindly being given by Times & Seasons Chamber Choir in memory of Dad and Mum.

The concert is to be held on Saturday 26<sup>th</sup> March 2022 at 7 pm in St. Martin's Church, Ongar.

Singing was a large part of Dad's life; he sang in St. Martin's Church Choir for nearly 60 years and was a founder member of Times & Seasons and sang with them for 28 years.

Tickets are not being sold for this concert, but there will be a retiring collection to be shared between Dementia UK, the Mothers' Union and St. Martin's Church. However, in the current situation, we do need to know numbers and who will be attending, so if you would like to join us to celebrate and remember Dad and Mum would you please RSVP to Sue King (susan.roger.king@ntlworld.com or 01277 362723), thank you.

Also, given the continuing situation and in line with St. Martin's current practices, we will be asking those attending to wear a mask whilst in the Church building and also to take a lateral flow test prior to attending, thank you.

**Ongar & Shelley Ladies' Thursday Group Speaker Report**  
**St. Clare Hospice**

Linda welcomed everyone back after the New Year. She also mentioned that the club desperately needs a treasurer.

Linda then introduced Stacey & Ellie who came to speak about St. Clare's. The NHS donate 44% of the 3 million which is needed each year to run the hospice which has 8 beds. They are supported by many local businesses who also sponsor some of the annual events. A lot of fundraising is required as well, which includes individual giving; money left in wills; their own lottery and income from the retail shops. Recently, they received a donation of an original Mary Quant dress and a Chanel bag! Both these raised a huge amount of money. There are 650 volunteers; some of them help at the hospice or in the community.

St Clare's has the facility to care for 100 patients, mostly taking place in the patient's home. A Bereavement Café is available for those who have lost someone recently or would like to stay in touch with people they know. There is also day therapy with workshops that support patients, giving them a better quality of life and a social aspect as well, plus a Compassionate Neighbours scheme where a volunteer can go and meet a patient in their own home for a chat and a cup of tea. Dementia clinics help patients with music sessions, taste and touch therapy and there is now a sensory garden for them. The Chaplin is always on hand with spiritual support for patients, families and the staff.

Linda thanked Stacey and Ellie for giving the club an interesting talk. Our next meeting will be on Thursday 3<sup>rd</sup> March, when Keith Snow will be talking about "The Wildness of the Domestic Cat". We will also be reverting to our times of arriving at 7.30 pm for an 8 pm talk and new members are welcome.
